1. Welcome

2. Approval of Minutes from the May 25, 2022 KACTS Committee Meeting

3. Project Candidates for KACTS Funding for CY2025 Allocation- Discussion Item

For CY 2025, KACTS will receive an estimated federal allocation of \$636,023, and a state allocation of approximately \$79,502. Including the 10% local match required of \$79,502, we need to program a total of \$795,027 for CY2025. So far, we have received two funding requests as outlined below:

- Berwick Route 9/Saw Mill Hill- Last year, the project was funded for construction year 2024. Now seeking additional funds for construction due to cost increases for material and labor. Supplemental funding needed in the amount of \$241,973.
- Eliot Route 236- Preliminary design funds requested for Dover Goodwin/and State Intersections. The estimated need is \$250,000 for Goodwin, and \$150,000 for State. A total request of \$400,000 for preliminary design of both intersections.

Both projects were scored by staff and submitted for funding last year. Below is the averaged scoring as submitted last year.
