2024-2027 KACTS Transportation Improvement Program Proposed Amendment

Approved 8-14-2024

July 10, 2024

All federally funded projects must be in the State Transportation Improvement Program (STIP) and the Metropolitan Planning Organization's Transportation Improvement Program (TIP) to receive federal funding. KACTS must update the TIP when there is a change to any project such as funding increase or a request to add a project to the TIP. MaineDOT must receive the KACTS Policy Committee endorsement when any federally funded project has a major scope change or cost increase or when MaineDOT wishes to add a project to the STIP.

All TIP amendments must be posted to the SMPDC website for a 10-day public comment period. This TIP amendment was posted for public comment on 7/10/24.

MaineDOT is seeking a TIP amendment for the following:

- Amend KACTS 2024-2027 TIP to add a new project in the year 2024 for Preliminary Engineering of a Shared Use Path along US Route 1 in Kittery. The funding source is from KACTS holding WIN and local match.

Included in this TIP amendment is the most recent Errata sheets and attached project sheets which capture changes to the 2024-2027 project list during the approval process. The projects on the errata sheet (see project lists attached) is part of the proposed TIP amendment.
