

## ***Traffic Incident Management Responder Training Program***

The National TIM Responder Training Program was created as part of SHRP 2 (*Strategic Highway Research Program 2*) which was authorized by Congress in 2005. The National TIM Responder Training Program was designed to establish the foundation for and to promote consistent training of all responders to achieve the three objectives of the TIM National Unified Goal (NUG):

- Responder Safety
- Safe, Quick Clearance
- Prompt, Reliable, Interoperable Communications

This program is open to Law Enforcement, Fire/EMS, DOT, MTA, Tow & Recovery, Public Works, Communication Centers and others involved in roadway incidents
